Welcome to The Harvey Center for Integrative Medicine!

We are honored that you have chosen The Harvey Center for Integrative Medicine for your health, wellness and supplement provider. We look forward to meeting you and providing you with the highest level of personalized wellness care to help you achieve optimal health.

Dr. Harvey has served in the community since 1996 as a skilled physician with 30 years of medical experience, including 16 years of functional and holistic medicine. He is triple board-certified in internal medicine, geriatrics, and holistic medicine. He also has been voted the areas "Favorite Holistic Doctor" three years running in Natural Awakenings magazine.

We specialize in Chelation therapy & IV nutritionals. In addition, we host a licensed Nutritionist, a Thermographer, and an Acupuncturist/ Massage Therapist on site. We provide the highest nutraceutical supplements from companies such as Xymogen, Neuroscience, Metagenics and Ortho Molecular Products to meet our patient's needs. We also have a full time Supplement Specialist to answer your questions in person, over the phone, or to ship your supplements to you.

Here are some simple tips that help us make your visit most effective:

- Please return your registration form and medical release forms two weeks prior to your appointment
- Arrive 15 minutes prior to appointment and check in at the front desk
- Bring your new patient/physical paperwork completed
- Please bring any medication bottles and supplement bottles you are currently taking
- Plan for visit to last 1-3 hours, depending on your customized need
- Due to the health concerns arising from exposure to scented products, The Harvey Center has instituted a scent-free environment policy. Please do not use scented products such as perfumes, body sprays, lotions, and hair products while in the office. Thank you for your understanding.

We ask that you please notify our office 48 hours prior to your appointment if you need to cancel or reschedule. If we do not receive a 48 hour cancellation notice, you will be charged for your appointment.

As a reminder, Dr. Harvey does not accept any commercial insurance or participate in any Medicare plan. If you are a Medicare part B participant and wish to become Dr. Harvey's patient, you are required to accept the terms and conditions set forth by our office and sign a contract. Neither you nor Dr. Harvey can bill for any reimbursement from Medicare for his services provided. However, we can provide a detailed receipt with proper coding for services performed which you can submit to your commercial insurance company.

At the Harvey Center, we believe that "Functional Medicine is a new paradigm and encourage patients to be involved and responsible for their health." To assist you in reaching this goal, Dr. Harvey has chosen HelloHealth as a safe and convenient way for his patients to receive optimal care and recording keeping. HelloHealth is an Electronic Health Records system that gives you the ability to access your records, send messages and have access to any test results online securely 24 hours a day. You will be given a 30 day free trial from HelloHealth when you become a patient. The cost after the 30 day trial will be an annual fee of \$69.00 per person or \$99.00 for a family plan.

Once again, thank you for choosing the Harvey Center for Integrative Medicine. The entire staff is now on your wellness team. Please do not hesitate to let us know how we can best serve you!

To Your Health & Happiness,

Fred Harvey, MD & Staff

NOTICE OF PRIVACY PRACTICES EFFECTIVE JANUARY 1, 2015

This notice describes how medical information about you may be used and disclosed and how you can get access to this information. Please review it carefully.

This Notice of Privacy Practices describes how we may use and disclose your protected health information to carry out treatment, payment or health care operations and for other purposes that are permitted or required by law. This notice also describes your rights to access and control your protected health information. "Protected health information" is information, that may identify you and that relates to your past, present and future physical, mental health or condition and related healthcare services.

Federal law requires us to abide by the terms of the Notice of Privacy Practices. We may change the terms of our notice at any time. The new notice will be effective for all protected health information that we maintain. We will provide you with any revised Notice of Privacy Practices upon request.

Uses and Disclosures of Protected Health Information

The use and disclosure of your protected health information will be used for treatment, payment and health care operation. Your protected health information may be used and disclosed by your physician, his staff and others outside of our office that are involved in your care and treatment for the purpose of providing health care services to you. Your protected health information will also be used and disclosed to pay your health care bills and to support the operations of this practice.

Following are example of the types of uses and disclosures of your protected health information that our office is permitted to make. These examples are not meant to be exhaustive, but to describe the types of uses and disclosures that may be made.

Uses and Disclosures of Protected Health information Based Upon Your Written Authorization

Other uses and disclosures of your protected health information as described below will be made only with your written authorization, unless otherwise permitted or required by law. Your authorization will be required each time disclosure of your protected health information is made for uses other than treatment, payment or healthcare operations.

Disclosure of any health information related to HIV test orders or results will not be released without your written authorization.

Permitted and Required Uses and Disclosure That May Be Made Without Your Consent or Authorization

For the purpose of public health and safety as required by state and federal law. This includes disclosure of health information relating to communicable diseases.

For the purpose of patient and minor patient safety as required by state law. We may disclose your protected health information if we believe that you have been a victim of abuse, neglect or domestic violence. In this case, the disclosure will be made consistent with the requirements of applicable federal and state laws.

For the purpose of reporting adverse drug reactions, product defects, biologic product deviations and to enable product/drug recalls as required by the Food and Drug Administration.

For the purpose of any judicial or administrative proceedings, or in response to an order of a court or administrative tribunal or in certain conditions in response to a subpoena, discovery request or other lawful process.

For the purpose of law enforcement as applicable by legal requirements. This information includes limited information requests for identification and location purposes, information pertaining to victims of a crime, suspicion that death has occurred as a result of criminal conduct and in the event that a crime occurs on the premises of the practice. We may also disclose your protected health information if we believe it is necessary to prevent or lessen a serious or imminent threat to the health or safety of a person or the public.

For the purpose of identification, cause of death or other investigation as performed by the coroner or medical examiner. We may also disclose such information in the reasonable anticipation of death.

For the purpose of military activity and national security as commanded by military authorities.

For the purpose of Worker's Compensation as required by law.

For the purpose of Health Oversight we may disclose protected health information as required by law to government agencies that oversee the health care system, government benefit programs and other government regulatory programs. This includes audits of billing records and investigation and inspection of your medical records.

Individual Rights

You have the right to inspect and obtain a copy of your protected health information. You may inspect and obtain a copy of your protected health information about you that is contained in your record for as long as we maintain the protected health information. This information includes all medical and billing records and the practice uses for making decisions about you. There is a fifty cent per page charge for medical records beyond the first twenty pages.

Under federal law however, you may not inspect or copy the following records: information compiled in reasonable anticipation of, or use in a civil, criminal or administrative action or proceeding, and protected health information that is subject to law that prohibits access to protected health information. Also, your physician also has the right to exercise professional judgment if it is felt that the release of protected health information may endanger the life or physical safety of the individual or another person. Depending on the circumstances, you may have a right to have this decision reviewed.

You have the right to request a restriction of your protected health information.

You may ask us not to use or disclose any part of your protected health information for purpose of treatment, payment or healthcare operations. Your physician is not required to agree to a restriction that you request. If your physician believes it is in your best interest to permit use and disclosure of your protected health information, your protected health information will not be restricted. If your physician does agree, we may not use or disclose your protected health information in violation of the stated restriction unless it is needed to provide emergency treatment. Please discuss any restrictions request with our privacy officer.

You have the right to receive confidential communications from us by alternative means.

You may request that we contact you at an alternative address or phone number. You must provide us with an explanation of this request and the request will be considered.

Your request must include alternate address, phone number and information as to how payment will be handled. We will accommodate reasonable requests.

You have the right to have your physician amend your protected health information.

You may request an amendment of protected health information about you in a designated record set for as long as we maintain this information. In certain cases we may deny your request for amendment. You have the right to file a statement of disagreement with us and we pay prepare a rebuttal to your statement and will provide you with a copy of any such rebuttal.

You have the right to receive an account of certain disclosures we have made, if any, of your protected health information.

This right applies to disclosures for the purposes than treatment, payment or healthcare operations as described in this policy.

You have right to obtain a paper copy of this notice. You have the right to file a complaint.

You may file a complaint to us or to the Secretary of Health and Human Services if you believe your privacy rights have been violated by us.

This notice was published and becomes effective April 14, 2003.

Treatment: We will use and disclose your protected health information to provide, coordinate or manage your health care and any related services. This includes the coordination or management of your healthcare with a third party. For example, we would disclose your protected health information, as necessary; to other physicians you may be treating you. Your protected health information may also be provided to a physician to who you have been referred to ensure that the physician has the necessary information to diagnose and treat you. In addition, we may disclose your protected health information from time-to-time to another healthcare provider (laboratory, imaging center, surgery center or hospital) who, at the request of you physician, becomes involved in your care.

Payment: Your protected health information may also be used to obtain payment for your health care services. This may include certain activities that your health insurance plan may undertake before it approves or pays for the health care services we recommend for you. For example, obtaining approval for surgical procedures or hospital admission may require that your relevant protected health information be disclosed to your health plan to obtain approval.

Healthcare Operations: We may use or disclose your protected health information in order to support the business activities of this practice. These activities include quality assessment, employee training and reviews, and conducting daily operations. Daily operations include using a sign-in sheet at the registration desk where you will be asked to sign your name, calling your name in the waiting room for your appointment and to contact you by telephone to remind you of an appointment. We may share your protected health information with third party "business associate" who perform various activities (billing, collections and computer programming) for the practice. Whenever an arrangement between our office and a business associate involves the use or disclosure of your protected health information, we will have a written contract that contains terms that will protect the privacy of your protected health information.

Agreement By Medicare Beneficiary For Medical Services

Date: _____

Time: _____

_____, a patient and Medicare Part B Beneficiary ("Patient"), and Fred Harvey, M.D., P.A. a physician licensed to practice medicine in Florida ("Physician"), enter into this agreement for the provision of medical services specified herein ("Services") in accordance with the provisions of Section 4507 of the Balanced Budget Act of 1997. Wherefore, in exchange for consideration, the receipt and sufficiency of which the Parties hereby acknowledge; Patient and Physician agree as follows:

1. Patient acknowledges and agrees that this Agreement has been entered into, and that Patient has received a copy of this Agreement before Physician has provided the services specified herein to Patient.
2. Patient acknowledges and agrees that this Agreement has not been entered *into* at a time when Patient is facing an emergency or urgent health care situation.
3. The services to be provided to Patient are: medical and physician services, ancillary health services, diagnostic testing, and office visits (collectively referred to hereinafter as "Services").
4. Patient agrees not to submit a claim (or request that Physician submit a claim on Patient's behalf) under the Social Security Act, as amended (42 U.S.C. § 1395a), for the Services, even if such Services are otherwise covered under Medicare Part B.
5. Patient agrees to be personally responsible, whether through private insurance or otherwise, for the payment of Services.
6. Patient acknowledges that Medicare will not provide reimbursement for the Services and that no Medicare fee limits (including those specified in 42 U.S.C. § 1395a: 1848(g)) will apply to the amount Physician charges for Services.

7. Patient acknowledges that Medigap plans under 42 U.S.C. § 1882 do not, and other supplemental insurance plans may not, make payments for the Services.

8. Patient acknowledges that, as a Medicare beneficiary, Patient has the right to have the Services provided by other physicians or practitioners who have not opted-out of Medicare and for whom payment would be made under 42 U.S.C. § 1395a. Patient acknowledges that he or she is not compelled to enter into private contracts that apply to other Medicare-covered services furnished by other physicians or practitioners who have not opted-out.

9. Physician has informed Patient that Physician is not excluded from participating in Medicare Part B under 42 U.S.C. § 1128, 1156, or 1892 or any other section of the Social Security Act.

10. By signing this contract Patient understands that Medicare payment will not be made for any items or services furnished by the physician or practitioner that would have otherwise been covered by Medicare if there were no private contract and a proper Medicare claim had been submitted.

11. Physician filed an affidavit with Medicare effective on September 1, 2016. Opt-out affidavits signed on or after June 16, 2015 will automatically renew every two years.

ADULT MEDICAL QUESTIONNAIRE

Our ability to draw effective conclusions about your present state of health and how to improve it depends, to a significant extent, on your ability to respond thoughtfully and accurately to both these written questions and those posed by the clinician during your consultations. Health issues are usually influenced by many factors. Accurately assessing all the factors and comprehensively managing them is the best way to deal with these health challenges. Your careful consideration of each of the following questions will enhance our efficiency and will provide for more effective use of your scheduled consultation time. These questions will help to identify underlying causes of illness and will also assist us to formulate a treatment plan.

First Name _____ Middle _____ Last _____
