

# Service Update

Fred Harvey, MD

## The Harvey Center for Integrative Medicine

has made some temporary changes to its services due to Covid-19

**Services** - if you are a patient of Dr. Fred Harvey, rest assured that our staff remains available for you for questions, treatment (preferably via telemedicine) and prescription refills while we all practice safe physical distancing due to the virus. Please call Ph#941-929-9355 to schedule your phone appointment with Dr. Harvey or our Functional Medicine Health Coach Ozlem Comer.

**Supplements** - when you'd like to purchase supplements from the Harvey Center Nutripharmacy, we have two simple options for you. Please call our office to make your purchase via credit card at 941-929-9355. Our staff will then ship your supplements to your home or you can pick them up outside HCIM. When you arrive to the parking lot to pick up your purchase, (M-F during normal business hours) please stay in your car and call the office. No need to come in, one of our staff members will gladly deliver your purchase & receipt in a sealed bag to your car window.

**We are here for you!**
